American Lhasa Apso Club, Inc.
AKC Agility Trials
February 12, 13 & 14, 2010

Thank you for entering the American Lhasa Apso Club, Inc. Agility Trial!

Please check the final entry confirmation for your dog(s). If you find any the trial secretary via email at agilityentry@hughes.net (preferred) or by phone. When using email, please be sure to type the email address carefully. If you do not get a response from me, I did not get your email, so please follow up with a phone call. Pre-trial move-ups must be received not later than 6:00 pm on Monday, February 8, 2010. Day to day move-ups must be made by the close of Friday's trial for the Saturday trial, and by the close of Saturday's trial for the Sunday trial. Close of the trial will be considered when the ribbons have been awarded for the last class of the day.

Note Friday judging will start at 10:00 am.

Dogs in the "B" class will run first, followed by dogs in the "A" class for each jump height. Dogs in the Preferred program will run after dogs in the Regular program in their corresponding jump height (Small to Tall). Entry numbers are preliminary, and subject to change due to move-ups received.

It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in. Please update your entry forms to the new version for future trials.

If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. Unless you already check-marked on the entry form "My Dog Needs To Be Measured", **please notify the Trial Secretary that your dog needs to be measured** if you have not already done so.

Breakfast and lunch will be available on the grounds for purchase.

Crating space in the building will be limited. The building will be open for set-up after 8:00 AM on Friday, February 12, 2010.

Exhibitors and spectators are expected to keep the grounds clean. Handlers who do not clean up after their dogs will be dismissed from the trial with no monies refunded.

Directions to Rush'N'Around Agility Center:

Look for agility trial signs.

The easiest route for those taking the I-355 extension is I-355 south to I-80 east. Exit Route 45 south (about 9 miles) to trial site.

Workers

We wish to thank all of our exhibitors who have volunteered to work at the trial. If you have signed up to work, a worker schedule will be posted. Please double check the posted schedules when you arrive at the trial for your assignments; check in with the worker coordinator (Annette Narel) before the start of the class you are assigned to work in. If you have any conflicts between working and running be sure to let her know – she will work it out with you. Workers will be provided lunch.
